PRICE THREE CENTS

Radnor Defeated by Lower Merion

Big Narberth Attendance at Annual Classic

Annual Football Contest Won by 23 to 0

Before the largest crowd of men, women and children that ever assembled on the athletic field of the Lower Merion High School the annual contest between the football teams of Lower Merion and Radnor High Schools was staged last Saturday afternoon, and when the whistle was blown to end the game shortly before five o'clock, the Lower Merion team had completed the most successful season in the history of football in the township.

Not only had they snowed under their neighboring rivals by 23 points, but they had not permitted them to cross their goal line and by so doing had hung up a record of not being scored against during the entire season. While their opposing teams had on several occasions come close to going over the line or kicking the ball over the cross bar at the critical moment the sturdy L. M. team had displayed great strength and spirit and by their mighty efforts they kept their record clean and during the season ran up the large total of 349 points against their opponents, who represented some of the best schools in this section.

Narberth's population flooded Ardmore for the game. Trains, busses, private cars and Shank's Mare furnished transportation—for Lower Merion is now the Alma Mater to 78 Narberth students, and Narberth is represented on the team.

The Lower Merion field presented a pretty scene with the throngs of people wearing the colors of the schools and carrying pennants and flowers as they cheered their favorite teams. With the hands playing and the cheer leaders calling for the school songs everybody seemed too happy to mind the cold wind which blew across the field and became colder as the afternoon passed away. Even the members of the kilties band with their bare knees entered into the enthusiasm of the day and aided in the noise making, which was continuous on both sides of the field until the last second of play. Then there was a rush for automobiles, the parades started and new history was made for athletics in our township high school.

Following the preliminary practice the two teams took their positions and at 2:38 Lichtenfeld kicked off for Radnor and the battle was started. After several tries at the line had failed to advance the ball Peterson shot around the left end for thirty-five yards, but the Radnor boys were fighting desperately all the time and L. M. was forced to kick. Radnor failed to get through the line on several attempts and following a penalty for off-side they kicked to Derham and L. M. again started up the field. Just as things were looking fine there was a fumble and Radnor got the ball. Following several line plays with very little gain they tried a forward pass which was neatly grabbed by Peabody for L. M. and he ran twenty yards before he was downed. The ball was advanced for a first down and after Peterson had failed to gain on an end run he tried again and scored the first touchdown. Paul Scull kicked the goal.

Scull kicked off from L. M. and after several plays Radnor kicked to Derham, who was thrown out of bounds. The ball was advanced for several first downs, both teams suffered penalties, there was an exchange of punts and finally L. M. made a number of fine gains which permitted Paul Scull to break through for another touchdown. He also kicked the goal and the period ended with the score 14 to 0.

Following an exchange of punts Radnor fumbled and two points were added for a safety. During this period Nelson, of Radnor, was so badly injured that he was carried off the field.

There were a number of exciting plays during the third period and both teams fought hard. L. M. pulled off several fine forward passes and end runs, and both goal lines were threatened. After several plays Scull kicked out of bounds and Radnor made one of their first downs on three plays and lost the ball on a fumble when Barr fell on the pigskin for L. M. Radnor was penalized again for holding. Derham and Peterson pulled off a successful forward pass which brought about the last touchdown of the game, and Scull kicked the goal.

In the final period the game was hotly contested and both sides suffered

penalties, one against Radnor for slugging. A number of substitutions were made and it was just beginning to get dark when the battle ended and each team grouped together and gave their yell for their opponents.

The parade started with the Kilties and the Berwyn bands heading the Lower Merion crowd along with Radnor's goat, all dolled up in red and white.

Charles S. Powell, Thomas Cronin and a host of other prominent citizens were in the Lower Merion victory parade, while School Directors Byrnes, Yeom, Hamilton and Burlingame were as happy as any of the cheering students. Bob Hartley, Bill Shupert, Frank Barker, Ralph Allen and a number of the other regulars were on the job all afternoon, rooting for the L. M. team. Barney Fischer, all done up in his white pants, red cap and his horseshoe and rabbit's foot, guarded the line for Lower Merion in his usual capable manner and during the intermission announced the scores of the other big games of the day.

Among the most pleased men in the world that evening were Coach Forstburg, Superintendent Downs and Principal C. B. Pennypacker, of the High School.

In the evening a victory dance was given in the Ardmore Women's Club following the parade and a big bonfire on the township lot on Lancaster pike.

The line-up of the teams follow:

Lower Merion Positions. Radnor:
F. Scull (Capt.) Left End Curll
Kenn Left Tackle Colket
Hill Left Guard Hunt
Barr Centre Johnston
Dilworth Right Guard Whetstone
Dohan Right Tackle Kellman
Peterson Right End (Capt.) Johnson
Derham Quarterback Crook
Peabody Left Halfback Nelson
F. Scull Right Halfback Avil
Fleming Fullback Lichtenfeld
Substitutions—Harris for Johnston, Crook for Nelson, Odiorne for Fleming, Costello for Derham, Pettit for Lockwood, Referee—Vail, Penn. Umpire—Delaplaine, Swarthmore. Head linesman—Wheeler, Haverford. Time of periods—15 minutes.

The football season of the Lower Merion High School eleven officially came to a close with its annual game with Radnor High last Saturday, but a post season scrap, one which each year raises as much enthusiasm and excitement as the Radnor battle still remains to be fought out. It is the annual tiff with the Alumni which this year will be held on Saturday, December 1.

More than usual interest has been aroused in the game by the activity which the Alumni Association has shown in its preparations for the annual tussle. It has placarded the country side far and wide with posters announcing the game and it has gone into collegiate and professional football lineups to get the best of the grade it can find to play for the Alumni on Saturday.

As a result of the Association's efforts such men as Les Hawes, of Dartmouth, Duffy Myers, of Brown, Jack Diamond of Lafayette, and Harry Ryan, of Penn State, will be found in the old grade's line-up when they don the mole skins tomorrow in effort to down Coach Forstburg's strong eleven. Really serious fears for the proud record of no defeats in two years which the team has made, are being entertained.

The Forstburg-ites will of course have some advantage in the fact that they have a well organized, strongly tested team that has been playing together for the entire season, while the Alumni will be made up of a number of individual players who are playing together for the first time. The undergraduate eleven will be well drilled in team work and signals—two departments in which the grade should be weak.

In preparation for the game the Alumni will hold a work out on the field at Ardmore this afternoon. This will be the only practice the graduate team will have.

An immense holiday crowd is expected to turn out for the game, and a crowd approaching that which witnessed the annual classic with Radnor last week is anticipated. The game will be played at Ardmore and will be called promptly at 2:30 P. M. Mr. George Vail, an approved Central Board official, will referee.

The undergraduate lineup for the contest will be the same as that used in all the last games of the month. Following is the graduate lineup as announced by Bill Shupert, president of the Alumni Association:

Another Successful Tennis Affair

Annual Dinner Dance at Elm Hall Well Attended

The Annual Dinner Dance of the Narberth Tennis Club held Friday, November 23rd, in Elm Hall, was voted by all present as the prettiest and most successful ever held.

The hall was simply a bower of beauty, pink and white color scheme being followed throughout, even to the new curtains which decorated the windows. Pink and white flowers decorated the tables, and the tables were also furnished with candlesticks in the same effect.

The Entertainment Committee never does things by halves and each lady guest was presented with pink and white roses.

It is regretted that a few late reservations could not be accepted, but the capacity of the hall had been reached, and so many late reservations had been accepted that the committee could not furnish additional covers.

Mr. W. D. R. Evans, president of the club, gave a very interesting talk, telling those present of the rapid growth of the club membership the past two years, its mission both socially and with regards co-operation with other organizations, and later presented to members who had been victors in the various tournaments during the summer, the individual cups, which they had won.

Mr. Paul Gibbons and Mr. Carl Fisher, both active in tennis circles, spoke in high praise of the fine spirit of good fellowship that prevails among the members of the Narberth Tennis Club.

Mr. Carl B. Metzger, our Town Burgess, spoke a few words commending the members of the club on the result of their activities, and Mr. W. D. Hall, Chief of the Council Body, spoke in his usual interesting vein.

The music by the famous Reith Orchestra made a decided hit. The party broke up at midnight, but apparently all too soon for those present.

Great interest is being shown in the preparations for the next dance, which will be held on New Year's Eve, and which is an innovation on the part of the Entertainment Committee.

CARD PARTY.

Everything is in readiness for the big card party to be held in the Y. M. C. A. next Thursday evening, December 6th, at 8 P. M. No further boosting is necessary to say that this event is being given by the Women's Community Club. This organization is surely proving itself capable of great things, and those who have attended previous affairs under its direction need no persuasion to attend this one. This party is under the management of Mrs. Albert Fredricks, Mrs. Joseph Miller, Mrs. William Ballingall, Mrs. J. F. Michelson, Mrs. J. J. Feindeison, and Mrs. John Wine.

A number of very fine prizes have been gathered together, both for the men and women, and the winners may take their choice. It will not be necessary for the women to take a box of cigars or an ash tray, nor will the men have to choose between a hand-painted knitting needle and a crocheted doilie. There will be table for penochle, five hundred and bridge, so that everyone will have something to do and can have the time of their lives. Read refreshments will be served during the evening.

Tickets are only seventy-five cents each, and may be secured from any member of the committee named above. Everybody is welcome. Which prize will YOU take home?

RECEPTION.

The Federation of Churches, which is doing such remarkable Social Service Work on the Main Line, will hold its Annual Reception Thursday evening, December 6th, at 8 o'clock, in the new auditorium of the Bryn Mawr Public School. Mrs. John Glenn, who is the national authority on the co-ordination of Church and Social Service Work, has been secured to speak. The Reception Committee is made up of the wives of the ministers of the Main Line, who will introduce their church friends to the guest of the evening, and to the workers of this department, while the refreshments are being served. The organization has been in touch, during the year, with 534 families needing relief and expert advice, and medical care, and welcome the opportunity to explain the work and methods to the public. You are most cordially invited to attend.

Basket Ball Season Under Way

Narberth Breaks Even in League Opening

The Narberth basketball teams broke even in the first week of playing of the Overbrook Church League.

On Friday night the locals opened up the home season in the Y. M. C. A. by losing to the Third Christian team by a single point, 15-14. The Narberth "B" team also lost to the Third Christian "B" team by 21-12.

Last Saturday night the locals, not at all down-hearted by Friday's reverses, traveled to Sixty-fifth and Lansdowne Avenue and handed the Henry Fellowship team a setback by a 17-16 score. The game was devoid of any thrills, due to the slippery condition of the floor, which made the players' footing uncertain. Field goals by Baldwin 2, Hollar 1, and Powell 1, gave Narberth a lead which they held to the last whistle. Although outscored from the field 5 to 4, Narberth made good on foul tosses when they were most needed. The Narberth "B" team also showed good form by beating Henry Fellowship "B" team in a hectic battle by a 20-19 score. Pete Yeom and Lou Ricklin showed up well in the victory of the "B" boys. Next Friday, December 7, Narberth will entertain the Henry Fellowship teams on the Y. M. C. A. floor. Score:

MUSIC.

An unusually entertaining and instructive program was presented at the regular meeting of the Women's Community Club held in the Y. M. C. A. last Tuesday afternoon. The President, Mrs. A. B. Ross, opened the meeting, and after calling for the reports of various chairmen, introduced Mr. Mallette, who gave a short talk on Musical Art and its essentials.

The Bell Telephone Company then gave a demonstration of the use of the telephone from the switchboard. After showing several stereoscopic views, picturing the difference in old-time and modern methods in the central offices, one of the company's toll operators explained the use of long distance service and the number of operations needed to complete a call, from the time the subscriber lifts the receiver until his party is reached. A demonstration of many humorous mistakes made by subscribers called forth much laughter, as one member after another recognized one or more similar blunders made by herself.

Two beautiful soprano solos were rendered by Mrs. T. Noel Butler, after which the meeting was adjourned for the usual social hour.

MUMS.

The next Community Club trip, under the guidance of Mrs. J. S. Harris, will be to Horticultural Hall, in Fairmount Park, to see the "Mums." Members wishing to take this trip will please be on hand for the 1:47 train on Thursday, December 6.

FIRE.

From the silence of the night
Came the panic cry of fire;
Flames shot like a beacon light,
Firemen struggled in the mire.'Twas the light from flaming trees
On a forest fire we gazed,
Ne'er was such a fanning breeze,
Such a sight left us quite dazed.Loudly in chorus they cried,
Calm thy ruddy, brilliant light.
Like madmen they fought and tried,
Every man to win the fight.From the horror of the din
Flames were beginning to die,
Came the cry, "We win, we win!"
No more leaped the flames on high.

BUILDING AND LOAN.

New Series Opens.

The attention of the readers of "Our Town" is called to the new Series of Building and Loan stock to be issued December 4th by the Narberth American Legion Building and Loan Association.

This meeting, for the purpose of opening new series in the Narberth American Legion Building and Loan Association, gives an opportunity for the best Christmas present anyone could possibly give. A few shares taken out at this time for your son or daughter will mean a nice nest egg for them in after years, and will also bring to their attention one of the best ways of saving money that is known, and by starting them out with a few shares of Building and Loan stock it will give them the idea of thrift and saving possibly at a time when habits are being formed.

Owing to the high cost of building and the extremely high prices asked for real estate, the banks have requested the Building and Loan Associations to reduce their bank loans, so consequently there is very little money at the present time in this vicinity for Building and Loan Associations to loan its stockholders on mortgages. It is well, however, to keep in mind that you should build up a fund to have available for either purchasing a home or building when money conditions are easier, and by taking out stock in this new series you will start a fund that will be of great assistance to you in after years and which can be borrowed against or withdrawn at any time you see fit.

The earnings on Building and Loan Stock have been over eight per cent, and you can find no safer investment at such a large rate of interest taking into consideration that the money you invest can be from One Dollar upward.

Shares can be taken out in either the Long Term Series, which matures in a little over eleven years, or the Short Term Series, which matures in a little over six years, so that you have the choice of creating a fund in either the Short or Long Term Series.

It is very important that this new series be well patronized, and the Narberth American Legion Building and Loan Association is asking its present stockholders to increase their holdings.

in this new series, as well as inviting the new residents of Narberth and those who are not now stockholders in this association to join with the old stockholders in making this new series the largest one in the history of the association.

The Board of Directors are all Narberth men, who devote one night a month to the affairs of the Association, and while the Association is young it has been very successful and its funds have been carefully invested, so that the officers and directors have no hesitancy in recommending to their friends the investment in the new series.

The Narberth American Legion Building and Loan Association meets Tuesday evening, December 4th, at the office of W. D. and H. T. Smedley, on Narberth Avenue at the Pennsylvania Railroad Bridge, from 7 until 9, and if you are unable to attend this meeting applications will be taken for new stock by any of the directors, or a letter written to the Association with your check enclosed for the number of shares desired plus twenty-five cents initiation fee in the Long Term Series, and fifty cents a share in the Short Term Series, will be taken care of.

GOOD STATESMANSHIP.

The United States does not want to get mixed up in the purely local quarrels of the world. It regards these disputes as due to the narrow prejudices and antagonisms of a mixture of races and languages. It does not feel responsible for these historic quarrels, and it wants those people to settle their own issues.

Yet it recognizes that the United States must take its fair share in efforts to harmonize the world. A country that won't co-operate with others is much like a merchant who refuses to join the Board of Trade or Chamber of Commerce of his home town. The nations must work together, just as the business men unite in a city.

Secretary Hughes, in his recent reply to the British Government regarding the reparations controversy, has come as near the golden mean in this controversy as any human being could. He has made it clear that the United States is willing to confer and plan and make suggestions, and secure the best expert opinion as to what should be done to straighten out the awful mess into which Europe has fallen.

At the same time, he has made it clear that the fundamental trouble across the water, as Mr. Hughes remarks, is the "lack of unity of thought" on the part of those Powers. Nothing this country can do will pull those Powers out of their morass until they are willing to make compromises for the sake of such unity of purpose.

TOWNSHIP TAX RATE

Commissioners Move to Retain Extra 2 1/4 Mills

At the last meeting of the Lower Merion Township Commissioners a resolution was passed authorizing the Solicitor to prepare the necessary forms for a petition to the court for the right to retain the extra 2 1/4 mills for road purposes for 1924, the same as was granted this year.

A petition was made this year asking for 4 1/2 extra mills, but after a strenuous objection by hundreds of taxpayers at the hearing in Norristown, the court allowed but one-half the request.

The Commissioners say they will require the same tax rate next year if the people desire the program for good roads continued.

They desire the tax payers to express their opinion in the matter and all property owners should advise their representatives of the sentiment of their districts. The matter will be taken up at the next meeting of the Commission and will no doubt be acted upon before the reorganization of the board next January.

If we desire the road improvements the Commission must have the money to pay for them so the tax payers should give this matter careful consideration before expressing an objection to the program.

GOLD FOOTBALLS FOR UNDEFEATED TEAM.

Football Heroes to be Honored at Alumni-Game Dance.

The unscored-on football team of Lower Merion will be guests of honor this Saturday at the Alumni-Game Dance at the High School. On this gala occasion the members of the team are to be awarded fittingly inscribed gold footballs by the Alumni Association in appreciation of their efforts.

This is a time-honored custom at the close of a successful season, and this year the public, because of its wonderful support throughout the season, will have the opportunity of witnessing this presentation by attending the dance.

Along with this unusual attraction will be the much-talked-of music of Sam Brown's Orchestra, enhanced in a setting of exotic decorations and unique presentation of the banding stream-

This will be the initial event of the High School social season, fittingly ushered in by the Alumni Association.

The patronesses of the Dance are: Mrs. William T. Abell, Mrs. William J. Byrnes, Jr., Mrs. S. Edgar Downs, Miss Dorothy Holland, Mrs. H. Wilson Moorhouse, Mrs. Charles B. Penny-packer, Mrs. Henry L. Reinhold, Jr., Mrs. Herschel B. Ruddick, Mrs. Daniel Shupert, Jr., Mrs. Howard Wayne Smith.

BUY CHRISTMAS SEALS AND FIGHT TUBERCULOSIS.

The Christmas Seals are being sent by mail on Wednesday, and we urge every one who is going to buy to do so in this district, and so help the health work.

"THE WORK WE DO DEPENDS ON YOU," and is entirely supported by the seals we sell.

Our aim this year is \$5000 worth of seals.

Mrs. J. Emmott Caldwell,
District Chairman.

RABIES A REAL DISEASE

It has been proven positively, at the State Bureau of Animal Industry Laboratories, that the dog which bit several children in Bala, Monday afternoon, November 26th, was actually infected with rabies. It was felt, therefore, that your paper could render the community a great service by placing before you authentic information with reference to rabies and the control of this dread disease.

Dr. R. M. Staley, veterinarian, of 223 Essex avenue, Narberth, for a number of years in charge of the control of rabies in this State, as Director of the Division of Transmissible Diseases of the Pennsylvania Bureau of Animal Industry, was interviewed and sums the situation up as follows:

"Rabies is a real disease, and is not simply a fear or superstition. However, the occurrence of a single case of rabies in a well governed community like Bala, need not cause undue alarm."

"I am informed that a positive diagnosis of rabies was established at the laboratories of the Pennsylvania Bureau of Animal Industry, in connection with the animal which bit several children last Monday. The diagnosis, having been made at the State Laboratory, automatically notifies the Bureau of the existence of this case of rabies and they will undoubtedly immediately place under strict quarantine all animals that are known to have been directly exposed to infection. This action, together with the supervision of the officers of the Lower Merion Township Police Department, will no doubt prevent the further spread of infection."

"A very important fact to be kept in mind is that the dog which infected the animal destroyed Monday might also have bitten other animals. It, therefore, would be well for all dog owners in Bala and immediate vicinity to immediately chain or pen up their dog if the animal shows signs of illness, particularly a decided change in disposition. If the animal has had a rather cross disposition and becomes docile, seeks the owner's companionship, seems to be afraid; or if the animal has had a good disposition and suddenly becomes quarrelsome and inclined to bite, it would be well to isolate the animal and have it examined by a qualified veterinarian."

"Until quite recently the quarantining of exposed animals, and possibly the destruction of animals that were actually known to have been bitten, were about the only control methods at the disposal of the officials and veterinarians. Happily, a vaccine for the protection of dogs against rabies infection has been developed. A single injection will confer immunity for a period of at least one year. The vaccine is known as Canine Rabies Vaccine (single dose treatment), and can be administered by any qualified veterinarian, with no danger and with little or no discomfort to the patient."

"The vaccination of dogs in a community where a case of rabies has occurred, is not only a protection to the animals, but is a protection to public health, particularly the children."

TO ENTERTAIN

Plans are well under way for a Main Line District Rally to be held at the Presbyterian Church of the Covenant, Bryn Mawr Avenue, Cynwyd, on Thursday evening, December 6th, at 8 o'clock. Bala-Cynwyd Troop No. 2 is the host of the evening and not only cordially invites all Main Line Scouts to attend, but also all adult residents who are interested in scouting activities.

Besides being a get together meeting of the Scouts of our district, there will be entertainment. Each troop is requested to come prepared with a five minute stunt, and from the talent in our district these should be both interesting and enjoyable. Bala-Cynwyd No. 2 is planning to make the meeting even more attractive by serving refreshments to their visitors.

These streamers are awarded to each troop which increased its own membership or the membership of another troop by 25% during a certain stated period. The following troops are to be awarded streamers: Ardmore No. 3, Bryn Mawr No. 1, Wynnewood No. 1 and Bala-Cynwyd No. 2. The latter troop not only increased its own membership by over 25%, but it also assisted in forming Troop No. 269 of Philadelphia, the initial registration of which was over 25% of the Bala-Cynwyd membership and the troop being nearly filled at the time of the close of the contest. The streamer will be a decoration for the Troop Flag.

Mrs. Frank Y. Austin, of Elmwood avenue, gave a dinner party on Sunday evening in honor of Miss Marion Green (Miss Philadelphia). Covers were laid for twelve.

METHODIST BOWLERS WIN THREE FROM BAPTISTS.

The Inter-Church Bowling League games between the Methodists and Baptists which were scheduled for Friday night, November 23, were postponed until the following Monday night, and the change seemed to favor the Methodists, as they won all three games—the first time this season any team has won three games in one evening. They scored a total of 2178 points, which is also a record. The Methodist team was very evenly matched, there being a difference of only 37 points between their highest and lowest total score. This team now leads the league in team standing. The score was as follows:

ROMANCE OF THE LAST CRUSADE.

With Allenby to Jerusalem. By Major Vivian Gilbert.

Fiction, Romance and Adventure and something more. It appeals to the Christian world with more graphic interest than any other, but it is replete with information about Egypt and Palestine and Syria. It freshens up Old Testament history, and gives it a vital place in the thought of today.

Major Gilbert was one of eight brothers who fought in the war. He was an actor in New York in August, 1914. He served in France, the Balkans and Egypt and was with General Allenby throughout the whole campaign in Palestine.

Major Gilbert will tell this story from his own experiences at Roberts Hall, Haverford College, on the evening of Monday, December 10, 1923, at 8:15 o'clock, for the benefit of the Haverford Community Centre and the Altar Guild of St. Mary's Church, Ardmore, Pa.

It is hoped you will help these worthy organizations by purchasing tickets. You will be so entertained you will forget the passing of the time as Major Gilbert carries you from Egypt to Jerusalem.

Make checks payable to Margaret F. Tutnall, secretary, and mail to Haverford, Pa.

NEW PAMPHLET BOXES EXTENDING SERVICE OF THE LIBRARY.

Service to the community is the aim of the Narberth Community Library, and one of the most important phases of that service is the reference work. About a year ago this department was organized under the leadership of Mrs. James Donnelly, and today it is prepared to widen the scope of its activities. Many persons in the community have learned to give the Library an opportunity to answer questions of general information, and more and more frequently is the information found to be available.

The resources of the Library are few, but every one of those resources is used to the utmost. "Who's Who" is still in demand, encyclopedias are consulted, even the old copy of Webster's Dictionary serves to answer an argument over pronunciation, and old book indexes reward many a long search, while poems are found for the right occasion, quotations are located and disputed dates are settled. The Library would be glad to be given the opportunity to do even more of this work, and those who find their problems unsolved the first time are requested not to get discouraged. The Library is constantly growing.

Many of the pupils of the High School, as well as men and women interested in the modern authors, frequently come to the Library for that information which can as yet be found only in magazine and newspaper articles. These are being collected by Mrs. Donnelly and already her files show biographical material capable of still greater use than it has yet had.

Recently the Library has purchased for this department folding pamphlet boxes, in which Mrs. Donnelly files her clippings. These boxes will hereafter be kept on the biography bookcase, where they may be consulted freely for the information which they afford.

The Library depends entirely for its support upon unsolicited gifts from individuals and clubs and from the rental of new books. That the money thus received has been able to accomplish so much is due to the generosity of the Board of Directors of the Y. M. C. A., who have furnished the room with light and heat. The unsolicited kindness of friends is illustrated by Mrs. John Brooks, of Narberth Avenue, who, knowing that the Library wishes to put every penny into books and books alone, once in a while asks what equipment she can get for the Library, and the gift of pamphlet boxes is the latest answer.

School News. Editor for This Issue: Elizabeth P. Walls.

Monday, November 26, the Narberth Junior High School football team played Montgomery Day School on the latter's field. Our boys fought hard and defeated Montgomery Day School by a score of 19 to 0 in favor of Narberth. Robert Ross, Charles Pigrest, Wallace Titchfield and Robert Foote played an especially fine game. The others all did their part. Many of the pupils attended the game and cheered our boys to victory. With the help of our experienced coach, Mr. H. C. Gregg, the future looks bright for the Red and Grey.

The school celebrated our national Thanksgiving Day by special exercises in the auditorium on Wednesday morning, November 26.

PROGRAM.

Devotional exercises, conducted by Professor Wilson.

Song by school, "America."

Four short plays presented by the pupils of the school. They represented the early Pilgrim life in America. These sketches were from the time when the Pilgrims came over on the Mayflower, through the times of suffering and hardships in the new country. The last is when things had become easier and more comfortable living for the Pilgrims.

(1) "Little Pilgrims."

Scene: On board the Mayflower.

Characters: Nancy, Cora Messie; Timothy, Fred Robb; John, Robert Graham; Captain Jones, James Bailey; Mate, George Hopkins; sailors.

Story: What the little Pilgrims saw in the sea over the side of the good ship Mayflower.

Coached by Virginia Burgstesser and Virginia Denman.

All the children were dressed in costumes to suit their parts, being the old Puritan dress.

(2) "The First Winter."

Scene: In the home of Miles Standish.

Characters: Miles Standish, Howard Claypole; Elder Brewster, Arthur Bailey; Priscilla, Eleanor Rowley.

Story: Shows the great suffering and hardships the Pilgrims went through during that first winter in America.

Coached by Anne Speed and Robert Barclay.

(3) "The Spinning Lesson."

Scene: In a clearing of the great forest.

Characters: Priscilla, Mildred Odiorne; Puritan Lads—John and Degory; John Ferguson and Robert Barclay; Puritan Maidens—Ruth, Patience, Dinah, Miriam, Lettice and Anna; Honora Snyder, Patience Wohler, Elma Reese, Betty Robb, Ella Ross and Virginia Denman; Star of Spring, an Indian maid, Betty Hubbel; Naticum, a squaw, her mother, Gladys Grover.

Story: Priscilla teaches the Indian maid to spin.

Coached by Miss Miriam Jenkins, English teacher.

The Puritans have their customary dress, while the Indians had their feathers and moccasins and beads.

(4) "An Indian's Gift."

Scene: In the new home of John Alden.

Characters: John Alden, Harry Messie; Priscilla Alden, Anne Speed; Diligence Wheelwright, Elma Reese; Komoko, an Indian, Allan Claghorn.

Story: Priscilla Alden's Cow.

Coached by Miss Miriam Jenkins, English teacher.

The stage manager should receive a great deal of credit. The stage was set for each play in a very original way. The stumps of trees for the forest scene were the real things secured from our own grounds. His assistant was Horace Sheneman.

Betty Cook was the mistress of ceremonies.

Between the plays the following selections were given:

Song by School, "America, the Beautiful."

Song by Fifth and Sixth Grades, conducted by Miss Speakman.

A beautiful piano solo by Mr. Spratt. MacDowell's "1620."

Song by some Eighth Grade girls called, "Thanksgiving Prayers."

Closing number, song by school, "Thanksgiving Day is Here."

The pupils all worked very hard on this delightful program. They supplied all the costumes and scenery, therefore they are very grateful to you parents who left your work to come to their entertainment. I think you have been repaid for coming, for our boys and girls certainly did display the great talent they possess.

We are also grateful to Mr. Wilson, who so willingly joined in and helped us to carry this program out. Also to Miss Jenkin, who labored with the children day by day and brought out their talents.

We are preparing for a glorious Christmas entertainment, so do not forget us then.

Friday evening of December 21 the usual Christmas Carols will be held in the school auditorium. You are all invited to join us.

The school children's additional reason for giving thanks—a three days' vacation. (You may put this first if you will.)

LOWER MERION HIGH SCHOOL NEWS

The assembly periods of Thursday and Friday mornings last week were spent in rehearsal of cheers and songs for the Radnor football game of Saturday and on Monday. Practically the entire morning was devoted to a jubilation over the decisive victory which Lower Merion achieved over its ancient rival. The score was 23-0, and it was the highest count by which Lower Merion has ever won from its old enemy.

A big rally was held in the auditorium in the morning and ye members of the football team were set up on the stage and given homage by the student populace. The team and its coaches and all its scrubs were cheered and re-cheered and then cheered again just for good luck. Speeches were then called for from every player on the varsity squad. These speeches were followed by talks by Coach Frank Forstburg and by talks from Messrs. Barney Fischer, Frank McGrady and John Talone, former students and old grads who dropped in for the occasion and helped Lower Merion celebrate.

In the afternoon after school the victory celebration was continued at a school dance which was given in the gymnasium. The music for the dancing was more or less informal, being served up by various students of a musical nature who volunteered to play, but the cheerleaders who were in charge of the dance kept things stepping.

A Monroe Doctrine program in observance of the one hundredth anniversary of the Monroe Doctrine which was declared in 1823 was held in the auditorium at assembly Tuesday morning of this week. William Burns, a student from the American English department, was in charge of the program and acted as chairman.

A composition on the Monroe Doctrine written by Park Reed and read by Clarence Davis was the first thing on the program. It was followed by:

The Early History of the Monroe Doctrine, by Jessie Farrell.

The British in Venezuela, by Arthur Drumm.

Germans in South America, by Wm. Burns.

The Monroe Doctrine in the League of Nations, by Edward Lockwood.

The Monroe program was followed by a talk on Current Events by Betty Gane.

School closed for the Thanksgiving holidays Wednesday afternoon with the close of classes. As customary, the students were given Thursday and Friday off, one day to eat and the next very possible to recover from the effects thereof.

In the evening following the game the members of the football team will be the guests of honor at the annual Alumni dance which will be given in the gymnasium of the High School.

This dance is one of the big social events of the holidays. Girard Ruddick is chairman of the committee in charge of arrangements. Other members of the committee are Francis Smyth, Jack Speir and Misses Emma Bevan and Catherine Hart.

Banquet and Cynwyd Club Dance

Another dance at which the football warriors will be the guests will be the dance which will be given the team by the Cynwyd Club at its club house on Llandrillo Road on the evening of December 14.

The social activities of the team will then be brought to a close with the annual banquet which will be held along around December 10. Letters will be presented at this feed; trophies will be given the graduating members and the new captain for next year will then be announced.

L. M. H. S. Still Leads With 349 Points

With its trouncing of Radnor last week by a 23-0 score the Lower Merion eleven brought its total number of points for the season up to 349. Against this huge total, the ten schools which have played the Maroon and White have only one lone goose egg to show.

In other words Lower Merion has gone through the season without having its own goal line crossed once and while so doing, has run up an average of 35 points a game on its opponents.

Norristown High, rival claimant of the suburban championship was held to a 12-0 score by Phoenixville High in their annual game last Friday, and as a result Norristown, which has also been runner up to Lower Merion in the scoring, was held to a total of points which lacked two of being 300.

THE UNIVERSAL CAR

New Touring Car

Looking at the new touring car from the side, you are at once favorably impressed with the effect of longer, more graceful lines secured by enlarging the cowl and raising the radiator.

Slanting windshield and one-man top lend material aid in giving the entire car a lower, more stylish appearance.

An apron connecting the radiator with the fender skirts is also a decided improvement.

A comfort feature much appreciated by owners, is the additional leg room provided by the enlargement of the cowl.

Allow us to show you the entire line of new Ford cars now on display in our show room.

These cars can be obtained through the Ford Weekly Purchase Plan.
